

2006-2011 UKC Performance Sire

DOB 07/17/2003

Dual Grand Champion UKC Performance Sire **DOCTOR EVIL** is back home in Missouri as we have decided to have **DOCTOR EVIL** collected for future semen utilization. Special thanks to our good friend, Craig Boone, for taking extra good care of **DOCTOR EVIL** and breeding him in Kentucky. We have been receiving outstanding reports of **DOCTOR EVIL's** pups from all across the country. Two of his offspring have become UKC Nite Champions in the past month. We have several females booked to **DOCTOR EVIL** at this time: Danny White, Illinois (Hardtime Cody Jar female); Rockie Beres, Ohio ('PR' Beres' Bad Creek Kiss This); Chris Oney, Kentucky (his top English female); Chad McCauley, Wisconsin (Spring Creek Sissy – third time's a charm; and our very own 'PR' Penny's Rokstar Rosie. **DOCTOR EVIL** is quickly proving to be the type of reproducer his ancestors can be proud of; **DOCTOR EVIL** may never surpass Dual Grand Champion Penny's Kentucky Kojak reproduction record of 1,572 pups but time will tell. We are being "told" daily about the young "Little Evils" being featured on YouTube and other media outlets. Come for a hunt and watch **DOCTOR EVIL** and his offspring tree coon "**DOCTOR EVIL** Style!"

Call us for your next great hound as we handle a complete line of English hounds. Customer satisfaction is our primary goal as we have references in your state!
